CLA Board of Directors Meeting Minutes, May 22, 2025

Attendance:

Board Members:

Vern Newby-President
Gary Suppiger-Vice President
Fred Vincent-Past President
Dale Sprecher
Rick Taylor
Kathie McGonigle-Secretary (By Phone)

Members:

Marie Sprecher

The meeting was called to order at 7:00PM with the Pledge of Allegiance.

Fred moved to approve the April 24, 2025 minutes. Gary 2nd the motion.
All approved.

Treasurers Report-P and L statements are not available.

Membership Report: We now have 70 members and have collected \$5,105 in Memberships and Donations.

Water Quality Report: None

Curly Leaf/EWM Invasives updates/observations: There will be testing this year but no dates have been set.

Lake Host Station Report: Veta McKinney: Veta is Back! It was a slow weekend probably due to the weather. Dates were set for the parking lot update but the work wasn't done during the times stated. Most people were agreeable but several were upset due to the closure.

Education Report: Gary reported the Field Day for the Kids was not possible this year. Miles has retired and they didn't have enough staff this year.

Old Business: The new PO Box #335 has been set up at the Sandpoint Post Office. This will provide easier access for the Treasurer.

New Business: Gary talked about the Highway 95 expansion. This expansion will be from Dufort-Long Bridge. We would like to get a representative to talk with us about that.

The annual meeting is June 26, 2025. Two items will be brought to the table for consideration: Establishing the regularly scheduled meetings to occur during the months of April through September. Also, increasing the dues to \$50 per year.

Respectfully Submitted,

Kathie McGonigle
Secretary
